

Tips for Choosing Books

- 1 Choose books with characters who are independent thinkers who face challenges and solve problems.
- 2 Look for accuracy in stories about modern day experiences, historical fiction, and informational books.
- 3 Look for books with culturally-based themes about realistic, everyday events and activities that include characters from diverse groups.
- 4 Choose books that spark interest or are about topics your children like.
- 5 Pick books that match your children's reading level.
- 6 Explore wordless books for a fun, illustrated story experience.
