ABCs of Black History

Author: Rio Cortez

Illustrator: Lauren Semmer

Grades: K-4

Pre-Reading Activity

Say to your students "Today we are going to read a book about Black history. What do you already know about Black history?" List as many examples as students come up with on a white board or chart paper.

Post-Reading Activity

Create a class ABC book to celebrate each student's culture. Assign students or groups of students a letter of the alphabet and have them come up with as many celebrations and parts of their lives that start with that letter. Assemble it into a class book and have the students take turns bringing it home to share with their families.
