

Fox and Owl's Winter Adventure

VOCABULARY

Word	Student-friendly definition
fox	a fox is a wild animal with fur. It has a pointed nose, pointed ears, and a long, thick tail.
owl	an owl is a bird that hunts for food at night. Owls have large eyes, strong legs, and sharp claws.
winter	the season of the year between fall and spring. Winter is the coldest time of the year.
adventure	doing something that is new, exciting, and maybe even dangerous
frosty	a covering of little bits of ice on grass, plants, windows, and other areas outside when it is cold
den	a place where certain wild animals rest or sleep. Foxes, lions, wolves, and bears rest or live in a den.
snow	soft, white pieces of frozen water that fall down from the sky. Each small piece of frozen water is called a snowflake.
memory	something from the past that you still remember.
friend	someone you like and know well
