WHAT TO DO

Imagine you had one month and an unlimited budget to go on a family trip around the world. Where would you go?

Plan a day-by-day itinerary, listing the different places, people, animals, festivals, landscapes and traditions that you'd like to experience.

Tip: For extra fun, use a big piece of paper and markers. Illustrate your dream trip with pictures from magazines and newspapers, or draw the illustrations yourself!

Share your travels! Send a photograph of your finished world trip plan to us at publicity@barefootbooks.com and we'll feature it on the Barefoot World Atlas Facebook page at www.facebook.com/BarefootWorldAtlas.
