I like lox on bagels.

I like lox on eggs.

I like lox on pizza.

I like lox on everything.

But not on cake.

That's gross.

Fox, how do you like your lox?

On everything!

On everything?

I like lox on toast.

I like lox on bagels.

I like lox on eggs.

I like lox on pizza.

Do you like lox on cake?

Gross! No!
I do not like
lox on cake.

Okay. I like
lox on almost
everything.

Fox, how do you like your lox?

I like to eat lox on everything!

On everything? You really like to put lox on everything you eat?

Yes, I like lox on everything!

I like lox on toast, on bagels, on eggs, on pizza...

What about cake? Do you like lox on cake?

Gross, no! I do not like lox on cake.

Let me be clear.

I like lox on *almost* everything.

I do not like lox on desserts.

But I like lox on everything else.
