TIME TO READ!

Before reading, build background: Ask your child what the title means. What is a fiesta? Point out that the title is in two languages and ask why that might be.

While reading, look at the pictures: Notice the different cultures shown in the pictures. Where are these children reading?

After reading, ask questions:

- ◆ Where is your favorite place to read?
- ◆ The children in the story were reading in some interesting places. Which one would you most like to read in?
- ◆ What's your favorite book?
