

## Adopting Daisy

We are a family.  
There are four of us.

We want to adopt a pet.  
We want to adopt a dog.  
We want a big dog.  
We go to the pound.  
We find a dog.  
She is perfect.

We adopt her.  
We bring her home.  
We name her Daisy.  
We are a family.  
Now there are five of us.
