

One World, One Day

RIF EXTENSION ACTIVITIES FOR EDUCATORS

SOCIAL STUDIES

Using the photo credit information in the back of the book, locate the different countries on a map or globe. Have students work in small groups to mark each location.

ART

Have students create a poster titled, "My Favorite Part of the Day Is..."

Students should fill in the blank and draw or use materials from magazines to create a picture.

READING COMPREHENSION

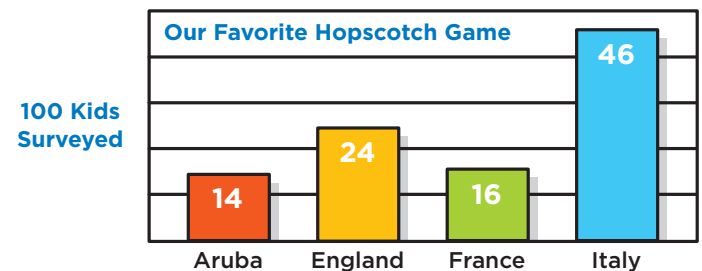

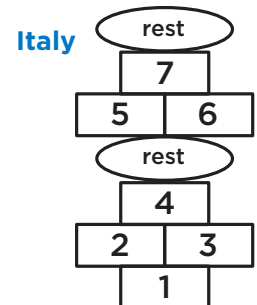

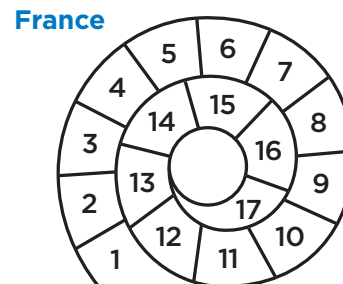

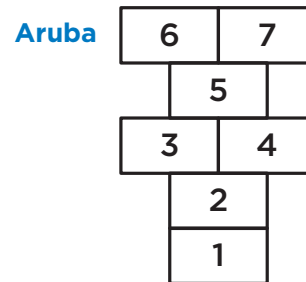

Compare/Contrast

Have students compare their daily routines to those of the children in the text.

MATH

Create a graph showing how students get to school.

Create and play different versions of hopscotch from around the world. Graph the style students liked best.

WRITING

Have students create a story about their typical school day. What do they do when they wake up before school? What types of activities do they do after school?
